HIGHPASS

Hybrid Briefcase Backpack

Designed for those who love convenience, variety and comfort, the Solo New York® Highpass Hybrid Briefcase Backpack is a must-have. It is a 3-in-1 bag that transforms from a briefcase to a backpack to an over-the-shoulder bag. Use it for your business meetings and carry your 15.6" laptop/ultrabook or 15" Macbook in the fully padded laptop compartment and your tablet in the internal iPad®/tablet pocket.

The fully-lined Solo New York® Ace Slim Brief from the Everyday collection features a zippered padded compartment that will hold 15.6" laptops, double-zippered front compartment with a tablet / eReader pocket and organizer pockets. The case also offers a Rear Ride Along® strap for consolidated travel, orange trims, padded carry handles and an adjustable shoulder strap.

ACE
Slim Brief

The fully-lined Solo New York® Thrive Backpack from the Everyday Collection is constructed from top-shelf materials and includes a padded compartment that will hold 17.3" laptops. The backpack also features two side accessory pockets, carry handle, orange contrast trims, padded air mesh back and adjustable backpack straps.

V200C Vault Case 15 7/16" W x 13 1/8" H x 6 3/16" D

The Pelican™ V200C Vault Equipment Case is crushproof, dustproof and weather resistant. It has heavy duty ergonomic handles that can withstand rugged conditions and five layers of protective foam which can be cut by the recipient to hold their desired object.

The Pelican™ tactical flashlight uses 2 AA batteries, or upgrade to 3 CR123 batteries to bring you up to 1124 lumens of bright LED light. It has high, medium, low and strobe beam light output modes, 4 programmable modes, 5 selectable programs and a full-time battery indicator, making this the most efficient tactical light you will ever own.

PL6005 **PELICAN**TM

7620 Tactical Flashlight

The Pelican™ watertight and crushproof micro case with clear lid is the answer to keeping all of your sensitive components and smartphones safe and visible. It protects your gear from the elements and dust, includes an automatic pressure equalization valve, easy open latch and rubber liner (which doubles as an o-ring seal) for extra protection, and an aluminum carabiner for easy attachment.
