Apex Barrier Soft Shell Jackets

WINDWALL™

WindWall™ soft shells are engineered in fully windproof and wind-resistant options. Our fully windproof options are our most protective; virtually waterproof and windproof, they maintain a comfortable level of breathability in colder weather conditions.

Wind-resistant options are the most versatile, enhanced with stretch and reduced external air permeability, both breathable and water-resistant, making them ideal for a wide range of activities and weather conditions.

Details

- 100% windproof fabric with DWR finish
- Reverse-coil center front zipper
- Left chest zip pocket
- Concealed-zip left chest pocket (Ladies)
- Secure-zip hand pockets
- Curved cuff detail for added coverage with an interior, stretch comfort cuff (Ladies)
- Hem cinch-cord
- Contrast, raised, high-definition The North Face logos at left chest and right back shoulder
- Tonal WindWall™ logo embroidered on lower left sleeve

Fabric

SOLID: 351 g/m² WindWall™ — 96/4 recycled post-consumer polyester/ elastane soft shell
Non-PFC durable water-repellent (DWR) finish

HEATHER: 374 g/m² WindWall™ — 100% recycled post-consumer polyester
Non-PFC wurable water-repellent (DWR) finish

Backpacks

Stalwart Backpack

Navigate your day efficiently from morning commute to evening gym session with this 26-liter backpack that has a large opening for quick-access to the main compartment. It also features an organizational panel and a 15" laptop padded sleeve to protect your gear, while keeping it accessible.

NF0A52S6 \$61.50 (R)

Details

- The FlexVent™ suspension system has a flexible yoke built from custom injection-molded shoulder straps, an unbelievably comfortable, padded back panel; and a highly breathable lumbar panel
- Two webbing top handles for convenient opening and perfectly balanced carrying when the pack is by your side
- Pack stands on its own for easy loading and unloading
- Padded and protective 15" laptop sleeve in main compartment
- Huge main compartment holds all the must-haves for a day in the office or on campus
- Updated front compartment offers simplified organization and maintains essential features for storage such as secure-zip pockets, tablet sleeve and key fob
- 360-degree reflectivity enhances visibility while commuting
- Exterior daisy chains
- Two exterior water bottle pockets
- Sternum strap with whistle buckle
- Contrast embroidered The North Face logo on center bottom

The background of the image is a dark gray or black field covered with a complex, white line pattern. These lines are irregular and wavy, resembling the contour lines of a topographic map or the grain of a piece of wood. The lines vary in density and orientation, creating a sense of depth and texture across the entire frame.

**Never
