VANTAGE

Sustainability is no longer
about doing less harm. It's
about doing more good.

EARTHWISE **COLLECTION**

Join us in embracing planet-positive impact initiatives with the Earthwise Collection, an eco-conscious line where fashion forward meets elevated sportswear. Together we can not only wear the change but be the change!

This collection offers high-performing essentials that are as comfortable as they are easy to style, and are engineered to showcase a range of decorating options that include, embroidery, heat transfer, and screen printing. Many of the styles are made with Repreve® high-quality recycled polyester, and offer a giveback component, allowing brands to deliver both an eco-conscious and charitable message. Your support truly makes a world of difference.

Branded apparel for a sustainable future

The Earthwise Collection offers high-performing eco-essentials, that are super comfy and easy to style. Most styles in the collection are made with Repreve® high-quality recycled polyester, which helps keep plastic bottles from ending up in our oceans and landfills. Together with our distributor customers, we've helped recycle over 1.5 million bottles since the launch of Earthwise, as well as donated over \$30K to nonprofits committed to protecting our environment. Your support truly makes a real difference. Thanks for being the change.
