2025

WHAT'S NEW

We are excited to announce the expansion of our exclusive inventory, featuring brands and styles you can only find here. As of Fall 2024, **Columbia** outerwear is now exclusively available. We are also thrilled to introduce **3 NEW brands in 2025: AllPro, JAANUU, & Nomadix**. As we expand our offerings, we invite you to explore the unique features and innovations of these new brands. Each one added to complement your brand's next project and refresh your opportunities.

AllPro seamlessly blends simplicity and sophistication, with a commitment to providing high-performance, functional, and stylish clothing. Their emphasis on quality, innovation, and versatility ensures their ability to meet the dynamic needs of modern professionals and active individuals alike.

JAANUU is a groundbreaking brand that is the first to be created by physicians who are redefining scrubs for modern professionals in the health and wellness space and beyond. By using physiological data, JAANUU creates body-led uniforms that prioritize comfort and functionality, empowering those who make a difference in our communities to perform their best.

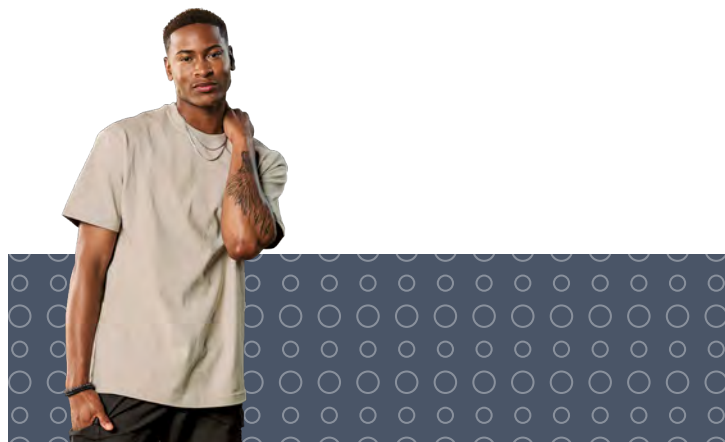

Nomadix is a brand committed to supporting adventure while minimizing environmental impact. With a focus on creating premium, multi-functional towels, blankets, and accessories using eco-friendly practices, Nomadix empowers a more sustainable lifestyle without sacrificing quality or functionality.

Additionally, all new 2025 styles from **American Apparel** will be exclusively available here. Explore the latest offerings you won't find anywhere else and elevate your collection with our exclusive brands.

ALLPRO

Pro-Lock

One of our new 2025 collections, AllPro, is a brand with a focus on fabrications that prioritize color durability, printability, and wearability. **AllPro's Pro-Lock technology** is a revolutionary 100% cationic polyester interlock jersey that combines snag-resistant durability with advanced moisture-wicking properties.

The unique cationic disperse dye process not only enhances colorfastness, it also creates a premium fade-resistant printing surface, allowing decorators to achieve vibrant graphics without the risk of dye migration. With Pro-Lock technology, enjoy long-lasting quality and vibrant colors that stand the test of time.

ULTRAlast

Introducing **JAANUU ULTRAlast**, a revolutionary woven fabric that combines advanced flexibility with all-day durability. Made from 76% polyester / 18% rayon / 6% spandex, this fabric is engineered with 4-way stretch to provide superior mobility and is comparable to your favorite athleisure, all while maintaining a sharp, professional appearance.

Brushed for a soft hand feel, this material is also treated for moisture-wicking and antimicrobial protection, ensuring maximum comfort throughout the day. With added resistance to wrinkles and fading, ULTRAlast ensures long-lasting wear that keeps you fresh and effortlessly stylish on and off the clock.

Silver Ridge™ Utility Lite *Long Sleeve Shirt*

The **Columbia 201293** embodies innovation and performance, crafted from 100% recycled polyester for a sustainable approach to outdoor apparel. Omni Wick technology effectively pulls moisture away from the body for optimal dryness on hot days, while Omni Shade offers broad spectrum UPF 50 sun protection against harmful UV rays.

With practical design elements like roll-up sleeves and a chest pocket, this shirt is ready for any outdoor challenge. Experience the unmatched quality and comfort that Columbia is known for.

Maximizing *Decoration* Opportunities

Our new **adidas** collection is designed with decorators in mind, featuring smart logo positioning that maximizes decoration opportunities. By strategically relocating logos, adidas has created ample space for embellishment, allowing decorators to showcase creativity and brand identity.

This innovative design not only enhances individual decoration potential but also facilitates co-branding opportunities, making it easier for businesses to collaborate and promote their brands together. Elevate your decorating game with apparel that is thoughtfully crafted for optimal customization.

GILDAN®

Softstyle *Midweight* Fleece

This **Gildan** Softstyle fleece set, featuring a quarter-zip sweatshirt and stylish sweatpants, is crafted from an 80% US ring-spun cotton/20% polyester blend for ultimate comfort. With a modern classic fit available in sizes S-3XL, this retro-inspired “workleisure” style effortlessly adapts to a hybrid lifestyle, making it perfect for both relaxation and activity.

Both pieces are made from midweight ring-spun fleece, offering a soft, breathable feel that transitions seamlessly through the seasons and provides an ideal canvas for printing and embroidery.
